

W1 QUICK DETAILER 100ML – 500ML – 4,54L

Description:

QUICK CLEANER, PROTECTOR AND POLISH SUITABLE FOR ALL SURFACES.

W1 is a fast and effective multi-purpose cleaner, suitable for easy cleaning and protection of the inner and outer surfaces of cars. Its unique formula increases “gloss” and water resistance, with a silky effect to the touch. W1 is a great support during the drying phase as it reduces the risk of limescale stains on the surface.

Directions for use:

Spray W1 2-3 times directly on the dry or wet surface, or on a microfibre cloth, then spread and wipe with a microfibre cloth. The product is fully activated 7 hours after application.

Consumption:

100-150 ml/car

Warnings:

The product should not be applied on hot surfaces or in direct sunlight.

To handle the product follow the precautionary advice on the safety data sheet.

Technical Features:

Appearance and colour: clear yellow liquid

Odour: characteristic

pH: 3,5 ± 0,5

Flash point: > 60°C

Relative density: 0,99 g/cm³

Solubility in water: soluble
